

CRISIS CARE KITS

NMI collects basic necessities of soap, washcloths, shampoo, combs, band-aids, etc. to provide to people when their lives are turned upside down by a natural disaster. You do not have to wait for a disaster to become involved! We collect items each month to insure that Nazarene Compassionate Ministries has an adequate supply for the next disaster (fire, flood, tornadoes, hurricanes, earthquakes, tsunamis, etc.) that may occur here in the States or around the world. Crisis Care Kits are made by Nazarene volunteers and are a tangible way that people can get involved in the disaster response process. Thousands of Crisis Care Kits are made, stored, and distributed globally each year as needs inevitably arise around the world.
